Whether she's your leading lady, best supporting friend, or just an extra in the movie of your life, follow our direction to find her the perfect present.

My Fair Lady

Feed the beauty junkie's addiction with [Kari Gran](#)'s new line of mineral makeup (\$8-\$25). Free of parabens, toxins, dyes, and other scary ingredients, the products allow skin to breathe easy. The Peony blush flatters all complexions; Sandalwood eye shadow can be used dry or wet for a sheer or more opaque look.
