

11 Best Lip Balms to Keep Your Lips From Flaking This Summer

It's inevitable: When the weather warms up, your lips start to chap—big time.

You probably already own a Chapstick (or five) but there's a reason you keep buying more: You haven't found your fave. And especially now, when flaky lips are plaguing us all every second of every day, you deserve to find the one that delivers.

You know: One that smells good, is made with good ingredients and, hell, even plumps your lips and leaves you with a summer-approved glossy finish.

Now you might have to spend a tad more than you would if you were picking one up in the dollar bin at the grocery store, but these 11 editor-tested picks are well worth it.

KARI GRAN

If high-quality ingredients are what you're looking for, look no further. This eco-luxe balm (yes it's a thing) is not only organic, it's made with non-GMO and wild harvested ingredients like avocado, calendula and camellia oils.
