3 ESSENTIALS OUR CONTRIBUTORS NEVER LEAVE HOME WITHOUT

BEAUTY PRODUCT PICKS | 1 COMMENT

SEPTEMBER 5, 2017 BY [DARIA PATRUNJEL](#)

You know those magazine stories where celebs dump out their purses and we get a peak at what they carry around with them everyday? We love those stories! For one, it's fun to see what's in someone else's purse. It feels a little...verboten? And of course, whenever we read them, we come away with some new products to try out.

In that vein, we asked our contributors to answer: what are the three essential items you never leave home without?

1. [Kari Gran Lip Whips](#): “I hate the feeling of lipstick (and the fact that so many brands contain lead and other heavy metals is pretty terrifying!), but sometimes you need a little more than lipgloss and Kari Gran lip whips are the perfect combination of both—but organic, eco-friendly, and made without parabens. I love the Suji Red shade.”
