Kari Gran Skin Care

If you are searching for an eco-luxe skincare line known for being plant oil-based, **Kari Gran Skin Care** is right for you. Created using the finest natural, organic, wild-harvested and non-GMO ingredients, this skin care system draws on plant and essential oils while featuring three core fundamental products of the Cleansing Oil, Hydrating Tonic and the Essential Serum making your skincare maintenance routine as simple and effective as ever. Add in the Lip Whip for an extra soft pout. Containing absolutely no water, users are ensured that each product's ingredients are pure and functional with no useless filler.
