Winter Wonderland With The Choosy Chick

Back in October I collaborated with **The Choosy Chick** to bring to you **5 great products for the perfect fall routine**, and I am so excited to partner with them again to share our top recommendations for a Winter Wonderland experience this December!

The Choosy Chick is an online boutique founded by **Margot White**, an educator, wife and mother of 4 boys, committed to helping her customers make healthier choices at affordable prices. All the products they carry abide by the **Choosy Chick standard**, and I am sure we can all appreciate someone taking the guesswork out of shopping for ourselves and our families, given that the the personal care products sold in the marketplace remains **vastly unregulated**.

You may or may not have seen this all over your **Instagram feed**, but Kari Gran has just released a **Lip Duo** with a luscious lip buff paired with a universally-flattering red for the holiday season. I already have the Lip Whip in original and Jolene and I can tell you that **the formula is unlike anything else in the market- free from aluminum and petrolatum, rich, buttery soft and handmade from the finest organic, wild-harvested and non-GMO ingredients.**

The harsh winter weather in New York always make my lips dry and chapped, and **the Lip Buff is the perfect salve that provides the most gentle exfoliation with organic sugar and chamomile powder.** Instead of peeling the dry skin, try applying the buff and letting it sink in and heal your lips naturally instead. **Follow up with the Lip Whip in Suji Red, a bold, pigmented shade of red that can be layered for intensity.** I recommend using a lip brush if you want a more precise application, although you can use your fingers if you prefer for it to be a sheer tint.

Ingredients for Lip Buff: Organic Ricinus Communis (Castor Seed) Oil, Organic Beeswax, Organic Camellia Oleifera (Camellia Seed) Oil, Organic Sugar, Jojoba Oil, Organic Avocado Oil, Chamomile Powder, Tocopherol (Non-GMO Vitamin E From Sunflower) and Organic Mentha X Piperita (Peppermint) Oil

Ingredients for Lip Whip: Organic Ricinus Communis (Castor Seed) Oil, Organic Beeswax, Organic Helianthus Annuus (Sunflower) Oil, Organic Camellia Oleifera (Camellia Seed) Oil, Organic Olea Europaea (Olive), Helianthus Annus (Sunflower) & Calendula Officinalis (Calendula) Oil, Mica, Titanium Dioxide, Iron Oxides, Silica, Tocopherol (Non-GMO Vitamin E From Sunflower) and Organic Mentha X Piperita (Peppermint) Oil
