

12 Totally Giftable (and Natural!) Budget Beauty Holiday Buys

It's easy at this time of year to throw all of your usual consumer ethics out of the window. Let's face it; you're short on time, and getting everyone you know that juicer or organic sweater they want all starts to leave the wallet feeling a little light.

When it comes to the grooming department though, there are plenty of natural beauty gifts that are not only eco and ethical, but beautiful and budget friendly, too.

Don't believe us? Keep on scrolling and you'll soon be ticking people off the list.

7. Kari Gran Suji Red Lip Whip & Buff Duo – \$37

Who said decadent routines were just for the face and body? For the person who loves attention to detail, this luxurious duo will slough away dry skin and intensely nourish lips leaving them smooth and plump. The universally flattering red will also add a gorgeous pop off colour to top it all off.
