

Explore Istanbul

Dream Destination

The capital city of Turkey, Istanbul's colorful history gave it many names over the years, including Constantinople and Byzantium. With a history dating back to the 600s BCE, this ancient site boasts a wide span of architectural and cultural relics that truly define today's modern lifestyle. Istanbul straddles the Bosphorus strait, putting half of the city in Europe and half in Asia – a unique feature for a metropolis of its size. From the Hagia Sophia to the Beylerbeyi palaces, you can see it all in this interactive travel guide.
