# I LOVE YOU TO PIECES

- Print out
- Contact paper
- Tissue paper
- Glue
- Construction Paper

STEP 1: Cut out the heart on the print out- I find it easiest to fold the paper in half.

STEP 2: Peel off back of contact paper so that the rectangle slightly bigger than the heart opening on the printable. Apply to backside of paper. Sticky side should be facing up

STEP 3: Sticky side facing up start attaching the tissue paper to the sticky contact paper.

STEP 4: once all the tissue is attached to the contact paper attach the paper to the construction paper for a nice border.
