

USE

Made from solid hardwood, aluminum and steel - **Bench** is engineered to last and contains a wide variety of storage and display solutions.

Use the canvas **Scroll** to hold laptops and magazines while the steel **Tray** is a convenient place for your everyday tech devices. Strong enough for sitting, functional enough for everything else.

CARE

Use a damp cloth to clean the surface and dry thoroughly. Ultra Violet light can affect the appearance of natural wood. If your **Bench** is consistently exposed to harsh UV light (i.e. sunlight), you may notice color variations over time.
