

USE

Made from solid hardwoods, aluminum and steel - **DESK 02** is engineered to last.

Our built-in docking system doubles as a cable pass through and triples as an accessory mount.

The cable grid can be configured in a number of ways and with additional accessories that number will continue to grow.

CARE

Use a damp cloth to clean the surface and dry thoroughly. Ultra Violet light can affect the appearance of natural wood. If your **DESK 02** is consistently exposed to harsh UV light (i.e. sunlight), you may notice color variations over time.
