

## USE

---

Made from solid hardwoods, aluminum and steel - **RACK** is engineered to last.

**RACK** is a simple vertical storage solution built for your bicycle.

Now you can finally own something that matches the beauty of your bike with the space in which you live.

## CARE

---

Use a damp cloth to clean the surface and dry thoroughly. Ultra Violet light can affect the appearance of natural wood. If your **RACK** is consistently exposed to harsh UV light (i.e. sunlight), you may notice color variations over time.
