

## USE

---

Made from solid hardwoods, aluminum and steel - **SIDE** is engineered to last.

Our built-in docking system doubles as a cable pass through and triples as an accessory mount.

The rear cable storage is designed to conceal unsightly cables and hide your secret stash.

## CARE

---

Use a damp cloth to clean the surface and dry thoroughly. Ultra Violet light can affect the appearance of natural wood. If your **SIDE** is consistently exposed to harsh UV light (i.e. sunlight), you may notice color variations over time.
