

USE

Made from solid hardwood, aluminum and steel - **Table** is engineered to last and functions as both a personal workspace and communal gathering table. The 2 cable grids can be configured in a number of ways while hidden magnets with leather **Bands** keep cords tidy. Remove the acrylic **Tabs** to conveniently access your cables from beneath the surface. Whether you're working, meeting or eating - **Table** has the space (comfortably seats 1 to 4 people).

CARE

Use a damp cloth to clean the surface and dry thoroughly. Ultra Violet light can affect the appearance of natural wood. If your **Table** is consistently exposed to harsh UV light (i.e. sunlight), you may notice color variations over time.
