

3AA eLED® CPO

When our customers demanded a flashlight with superior LED technology that was also lightweight and affordable, UK constructed the 3AA eLED CPO. It is the most compact light in its class, so it can go anywhere you go, via pocket, belt pouch, or helmet clip. It features an entirely waterproof design for all weather use.

Mounts to any helmet using UK helmet clips

FEATURES

- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- Thermal Recovery System recycles heat from the LED to warm batteries for improved performance in low temperatures
- Available in tail switch, twist bezel and front switch configurations
- Waterproof design for all weather use
- Beam produces a bright spot with almost no peripheral light so nearby personnel are not affected
- Powered by 3AA / LR6 Alkaline cells
- Can be mounted to any helmet or hard hat using a UK helmet clip
- High impact PC/ABS/Graphite, LEXAN® and polyurethane rubber construction for durability
- Proudly Made in USA
