

4AA eLED® CPO

Our 4AA flashlights are the biggest selling certified 4AA lights in the world. The UK4AA eLED® CPO flashlight matches powerful performance with a sleek, compact design that can be operated with gloves. Its LED lamp is ultra-bright, long-lasting and provides a wide beam for superior illumination.

Mounts to any helmet using UK helmet clips

FEATURES

- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- Thermal Recovery System recycles heat from the LED to warm batteries for improved performance in low temperatures
- Available in tail switch and front switch configurations
- Waterproof design for all weather use
- Beam produces a bright spot with almost no peripheral light so nearby personnel are not affected
- Powered by 4AA / LR6 Alkaline cells
- Can be mounted to any helmet or hard hat using a UK helmet clip
- High impact PC/ABS/Graphite, LEXAN® and polyurethane rubber construction for durability
- Proudly Made in USA
