

4AA eLED® CPO

Our 4AA flashlights are the biggest selling certified 4AA lights in the world. The UK4AA eLED® CPO flashlight matches powerful performance with a sleek, compact design that can be operated with gloves. Its LED lamp is ultra-bright, long-lasting and provides a wide beam for superior illumination.

FEATURES

- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- Thermal Recovery System recycles heat from the LED to warm batteries for improved performance in low temperatures
- LED will not break when dropped and its life expectancy is well over 50,000 hours
- Waterproof design for all weather use
- Beam produces a bright spot with almost no peripheral light so nearby personnel are not affected
- Attaches to all work helmets using UK accessory clips
- High impact ABS, LEXAN® and polyurethane rubber, construction for durability (CL I Div 1 model)
- High impact PC/ABS/Graphite, LEXAN® and polyurethane rubber construction for durability (ATEX model)

Mounts to any hard hat with UK helmet clips

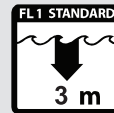

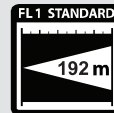

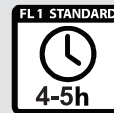

Available in front and rear switch configurations
