

4AA eLED® SUREFOOT

The Underwater Kinetics 4AA SureFoot is a revolutionary new, intrinsically safe LED flashlight with a secondary beam that shines downward providing illumination to the foot path so you can safely see where you are walking with no loss in burn time.

FEATURES

- Secondary Beam Illuminates the foot path for safety
- NO loss to burn time when using both beams
- 6+ Hour Battery Life
- Smooth, Wide-Angle Beam Ideal for lighting a broad area
- LED will not break when dropped and its life expectancy is well over 50,000 hours
- Waterproof design for all weather use
- Attaches to all work helmets using UK accessory clips
- High impact ABS, LEXAN® and polyurethane rubber, construction for durability (CL I Div 1 model)

Secondary Beam shines downward providing illumination to the foot path so you can safely see where you are walking.

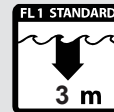

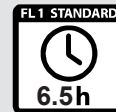

Mounts to any hard hat with UK helmet clips
