

3AAA eLED VIZION® (i)

For superior hands-free illumination in every situation, count on the Vizion I. Hit it, freeze it, dunk it—it will keep on working. The Vizion I has all the features of the original Vizion and is available either with the traditional black woven band or a unique contoured rubber band designed specifically to firmly grip your helmet. The Vizion I is remarkably lightweight and waterproof for use in the most challenging climates and conditions. Safety certified for use in hazardous locations.

FEATURES

- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- Thermal Recovery System recycles heat from the LED to warm batteries for improved performance in low temperatures
- Waterproof design for all weather use
- 3 selectable beam patterns - Spot, Diffuse and Red Diffuse
- High and Low power settings
- Large push button control switch works with heavy gloves
- LED lamp module can be removed from mounting strap for use as a portable work light
- Rotating beam angle adjustment knob, no hinge to break
- Available with either a non slip rubber helmet band or a woven headband
- High impact ABS, LEXAN® and molded rubber construction for durability

Fits On Any Hard Hat With Rubber Helmet Band Option
