Roots More conservative men will like the elegant and masculine Roots Raiders Flat Bag, made in Canada with Italian leather. Inspired by cowboys and Mounties, this high-end bag has an urban sensibility with a rugged look—at a good price. roots.com

Pan Am Once the premier passenger carrier, the Pan Am brand lives on thanks to a website determined to preserve its name. These eye-catching bags are well constructed, featuring detailed lining and embossed handles. The perfect size for LPs, they're popular with both jetsetters and DJs. panam.com

Adidas Adidas has issued a line of vintage bags inspired by the complimentary carry-ons airlines used to provide passengers when flying was a luxury and blankets were free. They look good slung over your shoulder as you stride into the classroom or the gym. Available in red, blue, or white and made of peather, these bags are reasonably priced and as athletic as they are smart. adidas.ca
