

Social Impact Story Cards

Your gift will come with a beautiful story card explaining the social, economic or environmental impact behind the product.

NOVICA
Handcrafted Goods

At Gifts for Good, making an impact is simple: every product gives back. Through our partnership with NOVICA, your gift supports the employment of artisans and the preservation of cultural art around the world.

Many artisans live in rural communities and don't have the means to sell their work on the international market. NOVICA gives them a free platform to do this and reach customers on a global scale while preserving indigenous culture and artistry. To date over \$88 million has been sent to indigenous artisans.

Mad about Pottery
Handmade Here

At Gifts for Good making an impact is simple: every product gives back. Through our partnership with Mad about Pottery your gift provides safe housing and meaningful employment through a therapeutic work environment for women and children fleeing domestic abuse, homelessness, and other difficult circumstances in Alabama.

Since they were founded, over 85 women have been employed and many are working on their CED's and growing their basic job skills. This gift provided jobs for American women fleeing domestic abuse and homelessness.

WOULD WORKS

At Gifts for Good making an impact is simple: every product gives back. Through our partnership with Would Works your gift provides dignified employment. Founded in Los Angeles, they create hand-crafted wood products by individuals who have an immediate financial need and are working towards a goal.

Dignified employment creates a way for these men and women to finance their goals while gaining work experience, learning concrete skills and receiving a recent job reference. Your gift gives an individual experiencing homelessness or extreme poverty in Los Angeles the opportunity to work.

GOODS THAT MATTER

At Gifts for Good, making an impact is simple: every product gives back. Through our partnership with Goods That Matter, your gift supports environmental BP Oil Spill efforts in the Gulf Coast.

While the BP Deepwater Horizon Oil Spill happened in 2010, cleanup efforts are still underway today. The BP Oil Spill is considered the largest marine oil spill in history, 200 million gallons of oil were spilled into our Gulf Coast, killing thousands of mammals and sea turtles and more than 1 million birds. To date, Goods That Matter bird soaps have raised over \$27,000 for Gulf Coast cleanup efforts.

COTOPAXI

At Gifts for Good, making an impact is simple: every product gives back. Through our partnership with Cotopaxi, a Benefit Corporation, targeted grants are provided to support nonprofits addressing health, education, and livelihoods programs.

An estimated 767 million people live below the international poverty line. Through the granting program, 1,703 antimalarial mosquito nets have been provided to refugees living in camps in sub-Saharan Africa. Additional grants have bolstered the academic achievements of students in India and South America. To date, 42 grants have been provided to nonprofits in 6 focus countries.

Bright ENDEAVORS

At Gifts for Good, making an impact is simple: every product gives back. Through our partnership with Bright Endeavors, your purchase supports job training to low income moms in Chicago.

Bright Endeavors transforms lives by teaching women to craft premium soy candles in a supportive professional environment. Through their paid job-training program, they provide the guidance and job skills young moms need to secure quality employment and begin working toward professional success. In 2017 alone, 43 moms were placed into permanent employment opportunities.
