Total Order

Dear Parents,

We are excited to share with you a new fundraising program offered through our school. mark-my-time developed a line of reading timers to make it easier than ever for you and your child to keep track of daily required reading minutes. The bright colors and easy to read displays make these digital timers the perfect way for your children to make reading time...anytime and keep track of every minute.

Mark-My-Time digital bookmarks encourage reading without distraction but with purpose. Set the timer for 20 minutes a day and let the child disappear into a book without worrying or stopping every 2 minutes to ask, "...am I done yet?" The bookmarks feature a countdown timing function with alarm for timed reading, music practice or math fact timed practice. Use the cumulative timing function to encourage reading throughout the day. Start and stop the timer each time the child picks up a book - and in the evening it will be a simple task to get the cumulative time read for the entire day. Please complete this order form and return it to your child's teacher along with payment by:

Your product(s) will be ordered and delivered to your student in their classroom. Encourage your friends and relatives to order too. mark-my-time bookmarks and booklights make great birthday gifts, party favors and stocking stuffers.

We appreciate your support in helping us raise funds for our school.
