side table
assembly instructions

01

Please follow the specifications in this folder and retain them for future reference to ensure that the product is used correctly. Always be a minimum of two people to assemble tabletop and legs. It is recommended to use an underlay so the tabletop is not scratched. While you assembling the side table you should not rest, stand or walk on any parts of the product. When you unpacked the moduls do not allow children to play with it. The table is designed for indoor use and its appereance should not be modified in any way.

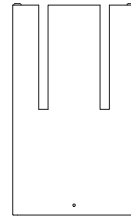

A bolt 4x

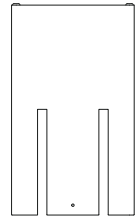

B hex key

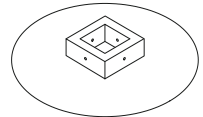

C base panels 2x

D base panels 2x

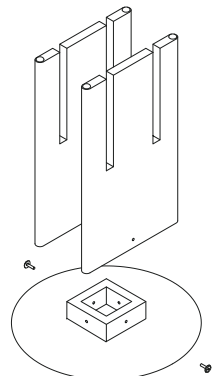

E table top

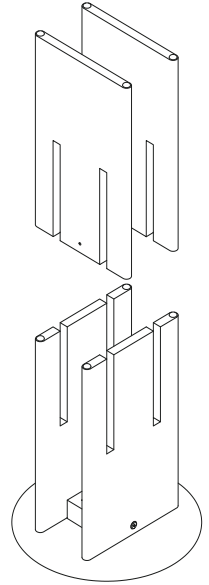

02

First, place the tabletop on a protective surface or carpet with the bottom facing upwards. Then fix the base panels (C) to opposite sides of the socket on the table top (E). Gently tighten the bolts (A) with the supplied hex key (B).

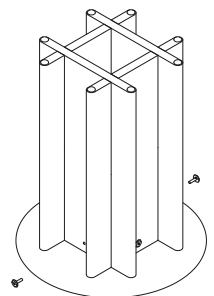

03

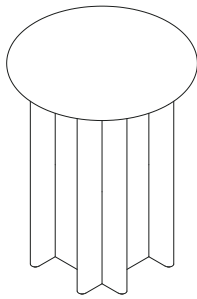

Next, fit the other base-panels (D) into the frame of the already fixed panels (C).

04

Last, gently tighten the bolts (A) with the included Hex key (B) when all the panels are in the right place. Finally, turn the table and enjoy.
