PLEASE READ ALL THE AUTOGRAPH SIGNING RULES BELOW

- No photos bigger than 16x20. If bigger than that, it must be rolled in a tube with no side longer than 20." We prefer photos to ship flat in a top loader.
- If shipping a funko, please ship just the box flat, no funko.
- Must purchase an autograph to get an inscription (if an athlete is offering them).
- Original artwork and game used items may have special pricing. If not listed below please inquire.
- If you have an abnormally large item, such as a wrestling belt, 30x40 photo, seatback, chair, etc... please inquire for a quote before ordering. Your item may have additional shipping charges.
- We will make every effort to comply with your specific requests such as pen color, pen type, signature location, etc, however, we can't guarantee them. The signature size is up to the athlete. Please note, sharpies are much more consistent than paint pens, especially on cards. If you choose a paint pen we can't guarantee the autograph doesn't have streaks/skips, etc.
- If an athlete cancels an event, the customer is responsible for return shipping.
- There are no returns or exchanges on items signed at autograph signings.
- Not responsible for damage that occurred during shipping to your item. We will pack up every item with the utmost care. If you need shipping insurance please add it to your order. \$100 is included free of charge, each additional \$100 of coverage is \$2. Orders over \$750 in value will require a signature at delivery. We ship with mainly USPS, with extremely valuable or larger items shipping via UPS.
- Trading cards we will handle them with the best care possible. We know how important the condition is. However, if your card was a PSA 10 when cracked it out of the holder, we can't guarantee you will get a 10 again if you choose to grade the card.
- IF due to the timeframe you have to ship your item directly to me 1st, you must put all your signing instructions in your order notes when buying the autograph on the website.
- To avoid delays and confusion when processing your items, make sure to

label them properly, include your submission form, and follow steps 1-4 outlined below.
