To streamline the process and ensure a smooth experience for you, we've outlined 4 important steps to follow when sending in your own item for the autograph signing:

- 1. Include Submission Form:** Please ensure to include the completed SUBMISSION FORM with your item. This form helps us identify your order and ensures accurate processing.
- 2. Label Your Item:** It's crucial to label your item clearly with your name, order number, signature location, pen color/type, and COA location. If no COA is needed please mark NO COA on your labeling. This ensures that your item is signed correctly the exact way you want. Here is a VIDEO to help you label and ship your item. Simply scroll to the timestamp of the item you are sending in.
- 3. Print Off Your Receipt:** We kindly ask you to print off your order receipt and include it with your item. This serves as proof of purchase and helps us confirm the details of your order.
- 4. Add Your Order Number to the Shipping Label:** To avoid any confusion when your item is received by us, please add your order number prominently to the shipping label. This allows our team to quickly identify your package upon receipt. Ship your item here...
