

Cardio Air 5

Secure Ear Hook Design

Quick Start Guide

MIXXAUDIO™

-
- 1 Micro USB Charging Port
 - 2 Built-in Microphone
 - 3 Volume Up/Next Button
 - 4 Multi-Function Button
 - 5 Volume Down/Previous Button

Pairing and Connecting

With the earphones switched off, Press and Hold the Multi-Function button until the LED Indicator Light flashes red and blue alternately.

Switch on Bluetooth on your device search for the earphones. They will appear as 'Cardio Air 5'. Select the earphones to pair with them.

Once connected, the LED Indicator Light will blink blue every few seconds. If you are prompted for a passcode to pair, use either '0000' or '1234'.

Controls

Power On/Off • Press and Hold Multi-Function button
for 3 seconds

Play/Pause • Short Press Multi-Function button

Volume Up/Down • Short Press + or – buttons

Next/Previous • Press and Hold + or – buttons

Answer Call • Short Press Multi-Function button

End Call • Short Press Multi-Function button

Pairing Mode • When earphones are off, Press and Hold
Multi-Function button for 5 seconds.

Charging the earphones

Connect the earphones to a suitable USB wall charger or computer USB port using the included Micro USB charging cable. The charging port on the earphones is under the cover on the side of the remote control.

When charging, the LED Indicator light will shine red. Once the earphones are fully charged, the red light will turn blue. This can take between 1 and 2 hours.

Switching the earphones On/Off

Press and Hold the Multi-Function button for 3 seconds to switch the earphones on. The earphones will automatically connect to the last used Bluetooth Device. The LED Indicator Light will flash blue once switched on.

Press and Hold the Multi-Function button for 3 seconds to switch the earphones off. The LED Indicator Light will flash red once before switching off.
