Wireless
Earphones

QUICK START GUIDE

LET'S CHECK

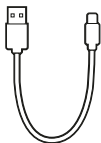

What's in the box?

SoundUp EP1
Wireless Earphones

3 pairs of ear cushions,
small, medium and large.

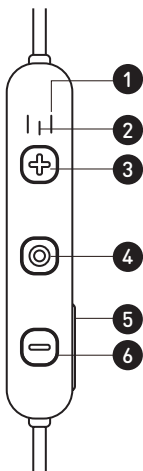

Micro USB
Charging Cable

Quick Start Guide

LET'S START

- 1 Built-in microphone
- 2 LED Indicator Light
- 3 Volume Up/Next Button
- 4 Multi-function Button
- 5 Micro USB Charging Port
- 6 Volume Down/Previous Button

LET'S POWER

ON - **Press and hold** the Multi-function Button **4** until you hear 'Power on' to switch the earphones on.

The LED Indicator Light **2** will flash BLUE once switched on.

OFF - **Press and hold** the Multi-function Button **4** until you hear 'Power off' to switch the earphones off.

The LED Indicator Light **2** will flash RED once before switching off.

LET'S PAIR

PAIRING - Ensure your phone is not paired with any other Bluetooth device. With the earphones switched **OFF**, **press and hold** the Multi-function Button **4** until you hear the word 'Pairing'.

Go to the Bluetooth settings on your device and select 'SoundUp EP1' from the list.

If you are prompted for a passcode to pair, use either '0000' or '1234'.

Once connected, you will hear 'Pairing successful, connected'.

You can now enjoy your music.

After the first initial pairing, the earphones will automatically connect to the last used Bluetooth device it was paired with and will confirm with 'Connected'.

LET'S TALK TO SIRI OR GOOGLE ASSISTANT

Check that your phone has the Voice Assistant APPs installed and is not paired with any other device. Pair your Bluetooth device with your earphones.

Press and hold the Multi-function Button **4** for 2 seconds. Your Voice Assist familiar 'beep' will sound to confirm connection with Siri or Google Assistant.

You can now ask Siri or Google Assistant a question or state a command.

LET'S CHARGE

Connect the earphones to a suitable USB wall charger, computer USB port or power bank using the micro USB charging cable included. The Micro USB Charging Port **5** is under the cover on the side of the earphones' remote control.

While charging, the LED Indicator Light **2** will shine RED. Once the earphones are fully charged, the RED light **2** will turn BLUE. This can take between 1 and 2 hours.

CONTROL FUNCTIONS

Power ON/OFF

Press and hold Multi-function Button for 3 seconds.

Play/Pause

Short press Multi-function Button.

Volume Up/Down

Short press + or - Buttons.

Next/Previous

Press and hold + or - Buttons.

Answer/End Call

Short press Multi-function Buttons.

First Time Pairing

When earphones are **OFF**, **press and hold** Multi-function Button for 5 seconds until you hear the words 'Pairing'. Go to the Bluetooth settings on your phone and select 'SoundUp EP1' from the list.

Activate Siri/Google Assistant

Press and hold Multi-function Button for 2 seconds. Listen for the familiar Voice Assist 'beep' to ask a question or state a command.

LET'S BE SAFE

It's important that you read this section completely, especially the **'Warnings, Caution and Safe Usage'** instructions.

For your protection:

Ensure the product is correctly connected using the manufacturer's original accessories included with the product.

Please keep the product out of reach of children and animals.

Do not listen to loud music for long periods of time. Adjust the volume to a comfortable level before listening.

Do not use earphones while operating machinery, including cars.

Do not use in areas where the use of hearing is required for safety.

Do not drop, short circuit, disassemble or continue to use the product if damaged.

We recommend:

To refer all servicing to qualified persons. Servicing may be required when the product has been damaged in any way, does not operate normally or has been dropped.

The operating temperature range for this product is 5°- 40° Celsius.

WARNING:

This product and the micro USB charging cable connector are not water resistant and should not be exposed to rain, moisture, any splashing or liquid spills. This may cause excessive heat or melting and may lead to fire damage or personal injury.

CAUTION: This product contains a lithium battery. Incorrect disposal may result in explosion.

LET'S RECYCLE

This product can be recycled.

Products bearing this symbol  must NOT be thrown away with normal household waste. Take the product to a collection point designated for recycling of electronic devices. Find out more about return and collection points through your local authority.

SAFE USAGE INFORMATION

Do not crush, puncture or incinerate the earphones. Only use certified or device manufacturer's cable.
