5. Get 100 points added to your Golden Gang Rewards account

All jewellery must be accompanied by a Silver Recycling Service form. Please complete the form above and print out & include in with your package. Please note, you are responsible for postage, and we recommend that items are sent via registered mail. We recommend using a padded & secure mail bag; damaged or lost items cannot be refunded or replaced. Please retain your proof of postage until we confirm by email that we have received your goods.

Please allow 5 working days from the date we receive your items for recycling for us to process and award your Golden Gang loyalty points to your account. You will need to be a member of Golden Gang Rewards to receive your loyalty points. We will send you an email to notify you that your loyalty points have been applied.
