

UNLOCK YOUR FULL POTENTIAL

At first glance, the Human Touch® Sana is stunning in its simplicity, but take a closer look and find so much more beneath the striking design. The Latin word Sana translates to health, a fitting name for a chair that provides the therapeutic benefits of massage with high-performing S and L-Track Systems that closely follows the curvature of the spine and extends coverage from your neck and shoulders down to your glutes and thighs. Nine auto-programs including Full-Body, Energize and Recovery provide effective solutions to your everyday stresses.

S- and L-Track

Strategically placed targeted aircells apply pressure to key healing points and manipulate your body to stretch muscles.

S and L TRACK SYSTEMS

While the **L-Track** extends high performance coverage from your neck and shoulders all the way down to your glutes and thighs, the **S-Track** closely follows the curvature of the spine. The result is a massage that is designed to move with the natural curves of your body for optimal results.

Easily manage the chair's full suite of programs and features using the intuitive navigation control, featuring a crystal-clear LCD screen.

9 AUTO-WELLNESS PROGRAMS

Enjoy nine auto-wellness programs including Full-Body, Energize and Recovery.

DEFY GRAVITY®

The zero gravity position cradles your back and elevates your legs above your heart, the position doctors recommend as the healthiest way to sit.

BUILT-IN USB PORT

Use the built-in USB port to charge your favorite hand-held device while you listen to music, watch videos, or read an eBook.

DUAL LUMBAR HEAT

Adjustable and targeted heat gently soothes the back to loosen tight muscles and help relieve pain.

EXTENDING FOOT AND CALF MASSAGER

With under-foot rollers for optimized reflexology and adjustable intensity for calves and feet, the extendable leg rest also adjusts for your height.

BUILT-IN BLUETOOTH SPEAKERS

Immerse yourself in soothing music while enjoying a relaxing massage. Connect your phone or music device to the built-in speaker via bluetooth.
