

FIND TRANQUILITY. RELEASE AND RELAX.

Looking to find serenity and relaxation? Well you have found it in the Human Touch® Quies. The Latin word Quies translates to rest, peace, and quiet, and what better way to find peace and quiet than while being enveloped in the Quies' cocoon of therapeutic massage? With a high-performance L-track that extends coverage from your neck and shoulders down to your glutes and thighs, and nine auto-programs including Full-Body, Stretch, and Recovery, the Quies will provide effective solutions to your everyday stresses.

S- and L-Track

S and L TRACK SYSTEMS

While the **L-Track** extends high performance coverage from your neck and shoulders all the way down to your glutes and thighs, the **S-Track** closely follows the curvature of the spine. The result is a massage that is designed to move with the natural curves of your body for optimal results.

Strategically placed, Comfort AirCells apply targeted pressure to key healing points and manipulate your body to stretch muscles.

Stunning wood-grain detail on the remote and speaker bring elegance and sophistication.

Easily manage the chair's full suite of programs and features using the intuitive navigation control, featuring a crystal-clear LCD screen.

9 AUTO-WELLNESS PROGRAMS

Enjoy nine auto-wellness programs including Full-Body massage, Stretch, Energize, and Recovery.

DEFY GRAVITY®

Use the built-in USB port to charge your favorite hand-held device while you listen to music, watch videos, or read an eBook.

DUAL LUMBAR HEAT

Adjustable and targeted heat gently soothes the back to loosen tight muscles and help relieve pain.
