

## **Food & Beverage Assistant**

As another busy summer season approaches, we are looking to recruit experienced bar tenders, waiters and waitresses on a permanent, seasonal or part time basis at The Farmhouse and Cobo Bay Hotel.

### **The Role:**

You will be responsible for meeting & greeting customers, laying up & clearing tables, and serving a wide range of food and beverages promptly and politely whilst consistently delivering the highest standards of hospitality to all of our guests.

### **The Candidate:**

The successful candidate must have at least 1 year's relevant experience in a high quality establishment, speak fluent English and offer excellent communication and customer service skills, have a friendly, outgoing personality, able to multi-task, handle pressure and carry out instructions.

### **The Package & Progression:**

The starting salary available for a 47 hour, 5.5 day week is £370 plus tips, less deductions for tax & insurance as well as board & lodging, if required. Whilst we will consider seasonal applications, preference will be given to candidates seeking a long term position, with a £50 monthly loyalty bonus available to employees, which will be accumulated over the course of the year and payable in January.

We like to recognise hard work and commitment as well as a desire to progress, and therefore the opportunity for promotion to Food & Beverage Supervisor will be available to the most capable, conscientious, proactive and loyal members of our team.

Accommodation can be provided with 3 staff meals a day, laundry facilities & WiFi, whilst visiting friends and family can take advantage of preferential rates at The Farmhouse and Cobo Bay Hotels, subject to availability.
