Wholesale Policies and Information

Minimum order quantity: 30 units

Shipping to be covered by buyer -- CPT on orders over £500

Thank you for your interest in wholesaling Crow & Pebble products! We offer high quality, handmade cosmetics that are 100% vegan and cruelty-free. We love working with subscription boxes, stockists and other wholesalers and are keen to add to our list of partners! Industry professionals, please get in touch with us directly by e-mail for collaboration options.

As our products are hand-made in house, our lead time is between 14 and 21 business days depending on the size of the order, however we will make every effort to complete and send your order sooner. Handmade products may also experience some variation due to production method. We are happy to accommodate custom and exclusive orders, but please contact us directly to make arrangements.

Minimum order amounts are applied per item type rather than overall order. This means that you may order a selection of shades of eyeshadow or highlighter, but you must order at least 30 units of each type of item.

Shipping is conducted through Royal Mail Standard (First Class domestically and International Standard Tracked overseas) unless otherwise requested by the buyer. The cost of shipping will be covered by the buyer. Orders over £500 receive free shipping. Once the order has been shipped, Crow & Pebble is not liable for any loss or damages. Customs and Duty are the responsibility of the buyer and will not be reimbursed by Crow & Pebble.

Opening orders will be paid in advance of lead time, in full. Partial or full credit accounts may be negotiated after initial orders. To make an opening order, please contact us with a list of products and shades you wish to purchase and we will e-mail you an invoice.

Credit accounts must pay this invoice within 30 days of the date on the invoice. Accounts not paid within terms are subject to a 10% monthly finance charge.

Orders may be cancelled within 72 hours, and may be changed for up to one week from the date of invoice. Payments may be made through Stripe, PayPal, Certified Money Order, TransferWise or UK Bank Transfer.

Due to the nature of the product, we cannot accept any returns for reasons other than damage. Please inspect any packages immediately and notify us within 5 days of receipt of any damaged products. Refunds for damaged units will be issued upon our receipt of the return.

Crow & Pebble reserves the right to decline any wholesale orders.
