FAQs

What happens if it rains?

Should the weather look unfavourable to have your picnic outside, either of the following options are available and must be confirmed 72hrs prior to your event.

1. **Moving indoors.** We can set up your picnic in a backup indoor location of your choice (this is your responsibility to source). We will allow some leeway on the 72hrs for this option.

2. **Postponement.** We can postpone your event to a future date, subject to availability. We can offer **one free** postponement so if the weather is unfavourable for the postponed date, we would only be able to offer an indoor set up as an alternative.

Can you provide set up only?

We have a **minimum spend of £15pp** on food and drink, you are welcome to bring your own food & drinks but they will be your responsibility to clear up.

Can you create a bespoke theme or menu?

Yes, we love to- do get in touch and we can help plan.

Testimonials

"HUGE thank you to you girls for making the day so perfect. Will definitely be recommending you to family and friends, as will many of the company."

"We just wanted to say big thank you for another successful event. The food and set up was great as always and everyone had a great time and delicious food. Different team members had the different favourites but I think it goes without saying that Brownies have won all the awards second time in the year!"

"Just a quick message to thank you for our delicious picnic. It went down brilliantly, particularly the coronation chicken. We're already talking about a picnic for Royal Ascot next year."

"I just wanted to say a HUGE THANK YOU for today! You saved the day, literally 😊 I will leave a glowing review for Pique as honestly, you and the team have been brilliant. Thanks ever so much and I look forward to using Pique in the future."

"We had a lovely time, the food was outstanding, and it was beautifully set up. We will definitely use you in the future, thank you for sorting it out for us at such short notice."

"It was all wonderful, thanks. The set up was very cute and the food was delicious! Would highly recommend Pique as the whole process has been excellent, the set up was perfect and the food was absolutely delicious! Thanks Pique team!"

Ts & Cs

We need to take a **50% deposit** (of approx cost) in order to hold the date. Bookings are on a first come, first served basis and your picnic is not secured until the deposit has been paid. Full payment is required 1 month before your event, if when booking, your event falls within 1 month, full payment is required up front. For groups of 100 or more, we require full payment 6 weeks before your event or upfront.

CANCELLATION

Your deposit is refundable up to 6 weeks before your event. Your deposit will be forfeited if you wish to cancel within the 6 weeks of your event date. Should you decide the selected date no longer works within 6 weeks of it, we will offer you the chance to postpone or reschedule to an available date using the same deposit. We will only offer you the option of postponing once. If the second date no longer works then we cannot accommodate another postponement free of charge. The cost of postponing a second time is the price of the deposit (50% of total booking).

DECREASE IN NUMBERS

Due to high demand and only having a certain capacity, the number of bookings we take per day are based upon events already in the diary and the number of guests attending. We therefore cannot accept a reduction in numbers within 4 weeks of your booking. If you do have less guests attending, we can give you credit to use against any drinks/ extra hire but do not offer refunds. Increases in numbers will be subject to availability but we will always do our best to accommodate your request.
