To Our Valued Customers:

Creekstone Farms Premium Beef, LLC has a written program for the identification, segregation, and labeling of 30 months of age and older animals harvested.

All identified 30 months and older carcasses are segregated in the coolers and ran separately from carcasses under 30 months of age. All product is labeled with unique identification codes for proper separation in the storage areas.

All 30 months and older boxed product is labeled with a unique 2-digit number at the end of the product code, (i.e. OTM-Choice "90" and OTM-Ungraded "00"). These codes are not sent to customers that do not allow 30 months and older product in their systems.

Please feel free to contact me at 620-741-3173 if you have any questions. The entire company thanks you for your business and looks forward to continuing that relationship.

Sincerely,
