To Our Valued Customers:

On Friday, December 18, 2015, the omnibus spending bill passed by Congress repealed mandatory country of origin labeling (COOL) for muscle cuts of beef, pork, ground beef, and ground pork. The bill removes all references to the above-mentioned products in the law.

Creekstone Farms Premium Beef LLC is proud to announce that all Black Angus Beef produced at this facility is source traceable within the United States of America. Due to our purchasing requirements, we will be labeling our product "Product of USA" as allowed in the Food Standards and Labeling Policy Book, August 2005 wherein it states:

Labeling may bear the phrase "Product of U.S.A." under one of the following conditions:

1. If the country to which the product is exported requires this phrase, and the product is processed in the U.S., or
2. The product is processed in the U.S. (i.e. is of domestic origin)

All product shipped from Creekstone Farms Premium Beef will have the language displayed on the boxes.
