## **SUSPENZ, INC.**

# **CHEMICALS MANAGEMENT AND RESTRICTED SUBSTANCES LIST**

---

Suspendz, Inc. (“Suspendz”) is committed to minimizing potential human or environmental harm associated with the manufacturing of our products. We require the following from our suppliers:

- Maintain compliance with all necessary rules, regulations and standards of chemical management, including the use, storage and disposal of chemicals.
- Ensure all products supplied to Suspendz are free of Lead (Pb), Cadmium (Cd), Formaldehyde, Phthalates (10P), and Nickel (Ni).
- Utilize the Proposition 65 List to identify which, if any, of those high-risk chemicals are present in Suspendz products and to notify Suspendz immediately in the event of detection.
  - Find the most updated list of chemicals included in Prop 65 here:
