

# FilterWall - IM2

*A semi-recessed, in-wall, whole house water filter.*

*An in-wall filtration system designed to feed every tap in your house with clean, chlorine free water.*

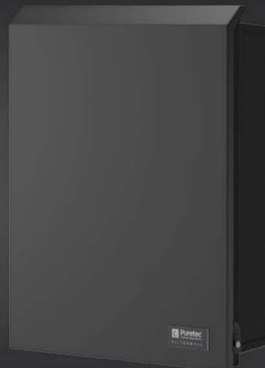

The FilterWall-IM2 is an Australian first, semi-recessed, whole house filtration system that combines style and function with an industry leading mains water filtration system. The lockable cabinet has been designed to protect the filter from the harsh Australian weather while providing a stylish finish. A must have for any new-build home.

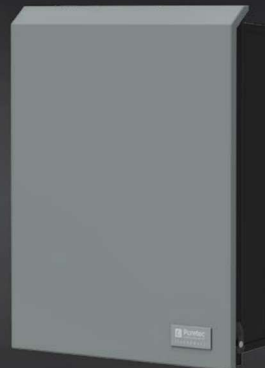

Available in 4 popular colours to suit the colour palette of your home.

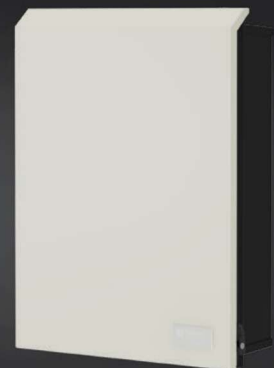

*Night Sky*®

*Monument*®

*Windspray*®

*Surfmist*®

The FilterWall has 10 year warranty which includes 1 year parts and labour plus 9 years parts only. Excludes cartridges. The warranty only applies if the product was used and/or installed in accordance with the user guide and/or installation instructions.® colour names are registered trademarks of BlueScope Steel Limited.
