

EMR1 Gray Bowl & Bracket	A	B	C (Depth)
EMR1-25	435 mm	185 mm	200 mm
EMR1-40	700 mm	185 mm	200 mm

UV RADFIRE CHAMBER	C (Diameter)	D
R2700	89 mm	900 mm
R5000	100 mm	900 mm

GENERAL INFO

DESIGNED FOR RAINWATER SUPPLIES

High-Flow Single UV Water Treatment Systems

The EMR1 Series system is highly effective and efficient in providing the whole house with purified water. The system incorporates a ultraviolet sterilizer to ecoli, giardia and cryptosporidium, cysts and other bacteria. It uses a next generation filter housing that features double O-ring for leak-free protection.

The EMR1 is designed for relatively clean water requiring sterilization of bacteria. It filters water supplies very effectively protecting you from bacteria, cysts and sediment.

SPECIFICATIONS

Models:	EMR1-25	EMR1-40
Radfire UV model:	R2700	R5000
Replacement:		
Sediment Cartridge	PL05MP1	PL05MP2
Lamp	1 x RL4	2 x RL4
Max Flow:	45 Lpm	91 Lpm
Max Temp:		52°C*
Max Pressure:		875 kPa
Connection:		1" BSP [25mm]
Warranty:		3 years^

FEATURES & BENEFITS

- Quick and easy installation
- Peace of mind whole house filtration
- Turns your rain/bore water into safe drinking water anytime!
- Designed for alternative water supplies.
- Uses Radfire™ ultraviolet technology, a natural process of water purification that is eco-friendly and chemical free.
- Kills 99.9% of bacteria
- Uses washable sediment filter cartridge
- Heavy duty construction and low maintenance
- **3 Year Warranty**

Important Note: Use only genuine Puretec replacement cartridges. ^3 Year Platinum Protection applies to Puretec Systems when used in conjunction with a Puretec filter cartridge. Warranty excludes cartridges.

ADDITIONAL INFORMATION**Safe Water At Every Tap**

Enjoy safe purified water at every outlet in the house. The EMR1 Series system is highly effective and efficient in reducing dirt, rust and sediment in your water, giving good general purpose filtration as well as eliminating bacteria.

The Puretec EMR1™ Series is a logical choice for people concerned about bacteria in water. The system provides safe water throughout the house and is affordable for all.

Advanced filtration technology

Puretec EMR1 Series system incorporates the most advanced filtration technology. It uses Radfire UV technology to kill bacteria and a washable sediment filter cartridge. The Radfire™ Ultraviolet technology is a natural process of water purification that is eco-friendly and chemical free. Heavy duty construction allows more flow with less pressure, making it a better option where there is more usage or very dirty water.

Longer Filter Life

The EMR1 Series incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our **3 Year Platinum Protection Warranty**^.
