

Sump Pumps

Model numbers: TF180S & TF230S

Features & Benefits

- Domestic sump pump
- Designed to pump clean and wastewater
- Submersible up to 5 metres
- 2 year warranty

TF180S

TF230S

Applications

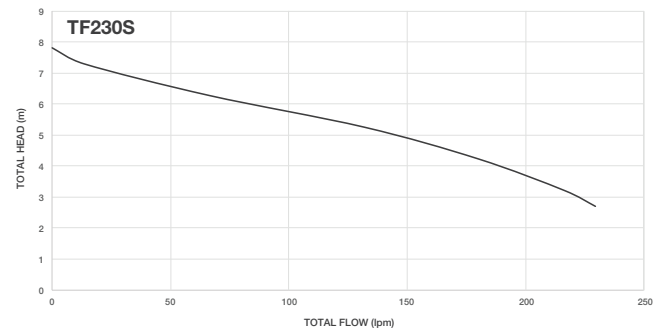

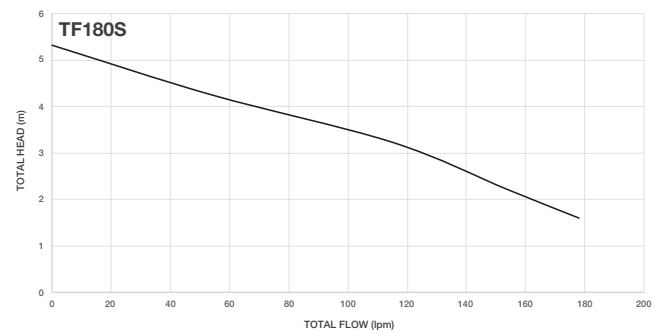

The TotalFlo range of submersible sump pumps are suitable for pumping small soft solids (up to 18mm max.) in fluid suspension.

They are extremely quiet in operation which makes them ideal for applications within residential areas for wastewater sumps, waterfalls and general drainage.
