

# LUKE ROSE

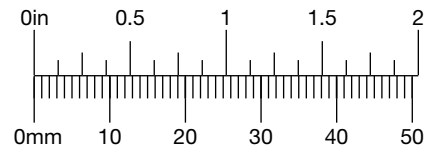

## SIZE GUIDE

The following guide can help you find your correct finger size, but we strongly advise you to have your finger sized by a jeweller for confirmation.  
Alternatively, you can purchase a ring sizer from us to find the correct size.

Print out this PDF and match the circle below with the inside diameter of an existing ring that fits your finger.

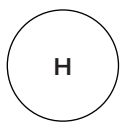

Be sure to print at 100% on your printer settings and compare the scale with a ruler.

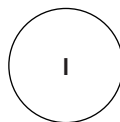

If the measurements do not match, your sizing will not be accurate and we suggest you purchase one of our ring sizers. Alternatively, please have your finger sized by a jeweller.
