40 Sustainable and Ethical Clothing Brands For You to Be an Eco-Friendly Shopper

Because being green is a lifestyle-not a trend.

To be honest, if you hope to be an ethical and sustainable consumer, you should probably slow your roll on any major shopping sprees and instead make more thoughtful purchases. Ask yourself if you truly *need* anything before adding it to your cart. If that answer is yes but you also want to have a better impact on the environment and support workers, here are 40 sustainable and ethical fashion brands doing their part.
