

DISSOLVE

Degreaser Cleaner

About

Dissolve is a heavy-duty degreaser designed for the toughest industrial applications. This professional strength cleaner removes the most difficult grease and grim. Available in both concentrate and ready to use.

Applications: Use on oils, lubricants, coolant, and hydraulic fluids to prevent redeposition on clean surfaces. Clean heavy equipment, most painted surfaces, engine compartments, tools, stainless steel, aluminum, and industrial concrete flooring.

1

Provide a safe work environment by preventing slips and falls

2

Safe and highly concentrated formula

3

Helps equipment run smoother, last longer, and look like new

Reduces cleaning maintenance and labor costs

Use in hot or cold-water applications

Prevent re-deposition on clean surfaces
