

Artisan Dogviled Eggs

Description:

Fulfill your pup's wishes for a fancy treat by making our dog friendly version of "deviled eggs". They are high in protein and can be made with any of our Artisan recipes!

Ingredients:

1 Cup Artisan Chicken
1 Cup water
7 eggs
½ Cup shredded carrots (optional)

Servings: Makes 14 Treats. Cooking Time: 25 minutes.

Directions:

Step 1: Bring a large pot of water to a boil. Once it is boiling, hard boil the eggs. This should take about 12-15 minutes.

Step 2: Peel the shells off the eggs and cut them in half, length-wise.

Step 3: In a medium sized bowl, add the 1 cup of Artisan Chicken, 1 cup of water, and all the yolks and mix until combined.

Step 3: Add the mixture to a piping bag and pipe it into the egg halves. You can plate them on shredded carrots to make an edible "nest".
