### Description:

These dog cupcakes are perfect for celebrating a birthday or treating your pup to something extra special! You can substitute the Macanna Beef with Macanna Pre-Mix or Salmon.

### Cupcake Ingredients:

- 1 Cup Macanna Beef (dry)
- 1 Bag Organic Oven Baked Treats
- 1/2 Cup 100% pumpkin puree
- 1/2 Cup organic peanut butter
- 2/3 Cup goat milk
- 1 Cup coconut flour
- 1 Cup water

### Frosting Ingredients:

- 1/3 Cup organic peanut butter
- 1 1/2 Cups organic Greek yogurt

Servings: Makes 10 cupcakes. Cooking Time: 45 minutes.

### Directions:

Step 1: In a large bowl, mix the Macanna Beef, coconut flour, pumpkin puree, organic peanut butter, goat milk, and water for the cupcake.

Step 2: Line your cupcake pan with cupcake wrappers to keep the cupcakes from sticking to the pan. Firmly press the mixture into the cupcake pan and fill to the top. Bake for 25 minutes at 350 °F.

Step 3: In a separate bowl, mix together the organic peanut butter and Greek yogurt to make the frosting.

Step 4: Once the cupcakes are out of the oven, frost them and decorate with an Organic Oven Baked Treat. Take off the wrapper before your pups enjoy!
