

# HEATING SOLUTIONS

Bromic Plumbing & Gas has been at the core of Bromic Group's operations for the last 40 years. Over that time it has grown to provide thousands of high-quality products, to industries across Australia, New Zealand, and the Pacific Islands. We are pleased to present new Plumbing & Gas catalogues to provide you with complete information about our products. Each product has passed demanding quality assurance testing to maintain the stringent standards that position Bromic Plumbing & Gas as the only name truly trusted by trade.

# About

---

Our heating products cover commercial, industrial, outdoor & indoor applications. Our SUPAHEAT heater is for indoor use while our HEAT-FLO™ Tile heaters can provide outdoor heating at an accessible price point. The HEAT-FLO™ blow heaters are highly efficient and provide instant & economical heat for industrial or commercial applications. With our products available in multiple fuel types including LPG (Propane) and Natural Gas we have a product for all fuel requirements.

Create an alfresco entertainment experience, keeping warm and enjoying the ambience of a large visible flame. AGA Approved.	
<b>HEAT-FLO™ Blow Heaters</b>	<b>7</b>
Providing instant, economical heat powered by a heavy-duty, high-output fan. Featuring an automatic safety shut-off with loss of flame or power. Gas & electrical approval.	
<b>Warranties &amp; Extras</b>	<b>9</b>
<b>SMART-HEAT™ For Outdoor Heaters</b>	<b>10</b>
Bromic Heating has premium range for heating your outdoor space. Every Bromic product is designed and engineered in-house to ensure the highest quality and performance.	

# Heating Solutions

## Supaheat™ Indoor Gas Heater

The Bromic flueless Supaheat™ II LPG indoor gas heater is specifically designed to heat up a room, instantly and efficiently.

- High and Low heat settings
- Battery operated electronic ignition
- High efficiency energy rating
- Efficient room heating: top vent for natural convection
- AGA approval No. 8271 G
- Maximum carton weight 11kg

High efficiency energy ratings for both Natural Gas and LPG models.

## Patio Heater Deluxe 50MJ Direct Ignition

- Commercial grade 304 stainless steel for maximum durability
- Large aluminium alloy reflector
- Durable wheels for easy moving
- Flat-top cylinder housing
- Piezo-electric direct ignition for trouble free lighting
- Stainless steel burner ensures maximum heater life
- Safety tilt switch shut-off
- Includes protective burner cover
- AGA approved
- Replacement burner head: COMP772

## Flueless Room Heaters

Part No.	COMP731-1	COMP732-1
Gas Supply Type	LPG	NG
Heat Output (MJ/H)	21	18
Colour	Silver grey	Silver grey
Electronic Ignition	Type "C" 1.5 battery

## **COMPLIANCE**

Products stocked by Bromic comply with all relevant regulatory requirements i.e. MEPS, AGA, electrical and safety requirements.

# BROMIC SMART-HEAT™

Divided into our distinct Platinum and Tungsten ranges, all Bronic outdoor heaters are designed and engineered in-house and are constructed from premium materials to create products that strike the perfect balance between performance, reliability and beauty.

## PLATINUM SMART-HEAT™ ELECTRIC

Our Platinum Smart-Heat™ Electric heater is specifically suited for low-clearance and design-focused spaces in mind.

These units are constructed from premium materials and able to heat areas as large as 10m.

Available in Black or White finish.  
Mount options: Recessed, Wall or Ceiling.

Black

- 2300W (Part No. 2620240)
- 3400W (Part No. 2620245)

White

- 2300W (Part No. 2620247)
- 3400W (Part No. 2620248)

## PLATINUM SMART-HEAT™ GAS

The Platinum Smart-Heat™ Gas combines elegant aesthetics with industry-leading performance to offer value and reliability to premium venues and homes.

Available in two different sizes across both LPG and Natural Gas configurations, these units are able to directionally project a comfortably diffused radiant heat across areas as large as 20m<sup>2</sup>.

Mount options: Recessed, Wall or Ceiling.

- 300-Series LPG (Part No. 2620130-1)
- 300-Series Natural Gas (Part No. 2620131-1)
- 500-Series LPG (Part No. 2620140-1)
- 500-series Natural Gas (Part No. 2620141-1)

## DESIGN SERVICE

As part of our complementary service, Bronic Heating Specialists will custom design and tailor a solution to best heat your outdoor living and entertainment spaces.

## TUNGSTEN SMART HEAT™ ELECTRIC

The Tungsten Smart-Heat™ Electric brings high-performance radiant heating to open outdoor applications and semi-enclosed spaces alike.

These units are available in four sizes and provide a wide wall of heat across a vast footprint, maximising the comfort created by each unit to heat areas as large as 15m .

Mount options: Recessed, Wall or Ceiling.

Black

- 2000W (Part No. 2620262)
- 3000W (Part No. 2620263)
- 4000W (Part No. 2620264)
- 6000W (Part No. 2620265)

White

- 2000W (Part No. 2620296)
- 3000W (Part No. 2620297)
- 4000W (Part No. 2620298)
- 6000W (Part No. 2620299)

## TUNGSTEN SMART-HEAT™ GAS

Powered by highly-efficient gas-fired ceramic burners, the Tungsten Smart-Heat™ Gas utilizes an open mesh shield to prioritize performance.

Available in two different sizes across both LPG and Natural Gas configurations, these units provide powerful heating in areas as large as 20m .

Mount options: Recessed, Wall or Ceiling.

- 300-Series LPG (Part No. 2620330-1)
- 300-Series Natural Gas (Part No. 2620331-1)
- 500-Series LPG (Part No. 2620340-1)
- 500-Series Natural Gas (Part No. 2620341-1)

## TUNGSTEN SMART-HEAT™ PORTABLE

It's neutral black finish, and award-winning design makes it a piece of modern art.

The Tungsten Smart-Heat™ Portable heater offers efficient directional heat and a versatile heating solution for the outdoor settings.

It's modular construction with built-in wheels allows for easily manoeuvrability throughout tighter spaces.

Heat Output: Coverage of up to 20m<sup>2</sup>, the Tungsten Smart-Heat™ Portable delivers a widespread heat field of up to 4m wide & 5m deep.

- Portable: (Part No. 2620350)
