

GRANGE & ROYAL GAS LOG SPACE HEATERS

COONARA
The Warmest Aussie Legend

Up to 5.1 star energy rating

The Warmest Aussie Legend

We have been proudly manufacturing in Australia for over 35 years.

Woodheaters have been the key to our business growth since the mid 1980's. Over the years our manufacturing of Woodheaters has employed hundreds of locals and contributed significantly to the local community - this is something we are extremely proud of. The acquisition of the Coonara brand in 2001 was made possible due to our earlier success in our contract manufacturing of Woodheaters and we are really excited about the newly introduced technologies that deliver Coonara Gas Log Heaters with high efficiency heating. This is a major step in the right direction for our environment.

Of course none of our success could be achieved without the support and dedication of our fantastic staff. We are a proud Australian manufacturer and we are proving that locally manufactured products can successfully compete with imported products. Your support is critical in helping keep the Australian manufacturing industry safe. We thank you for your continued support of Australian made Coonara Gas Log Heaters. They really are an Aussie icon.

Yours sincerely

Eric Woodgate
Managing Director

COVER: **ROYAL DOMAIN** INBUILT GAS LOG HEATER

The stylish and modern Royal Domain Inbuilt Gas Log Heater has a new fascia whilst maintaining the high star energy rating and heating an area of up to 20 squares.

ROYAL FREESTANDING GAS LOG HEATER

Features:

- 83% efficiency rating
- 4.6 Stars energy rating
- Heats up to 20 squares
- 8 colour options*
- Flueing options
- Thermostat controller
- 37MJH on High
- 19MJH on Low
- Heat output:
High – 8.7KW
Low – 4.3KW
- Natural Gas only

Smart phone app available. See page 12 for details.

Heater Dimensions:

- Height: 640mm
- Width: 775mm
- Depth: 430 mm

GRANGE

INBUILT VICTORIAN

The Coonara Grange Victorian is a heater for homeowners who appreciate the beauty of woodheaters with the ease of gas log heating. The Coonara Grange and Royal Victorian comes with a thermostat controller as standard, which allows you to control the room temperature to suit your comfort levels on cold, chilly nights.

Where tradition meets innovation.

- 86.5% efficiency rating
- 5.1 star energy rating
- Heats up to 20 squares
- Colour: Black

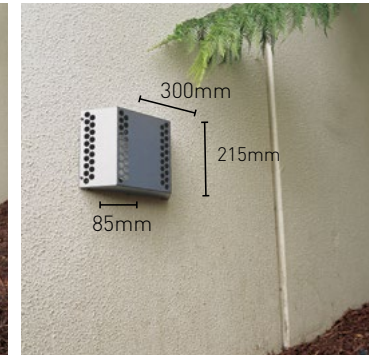

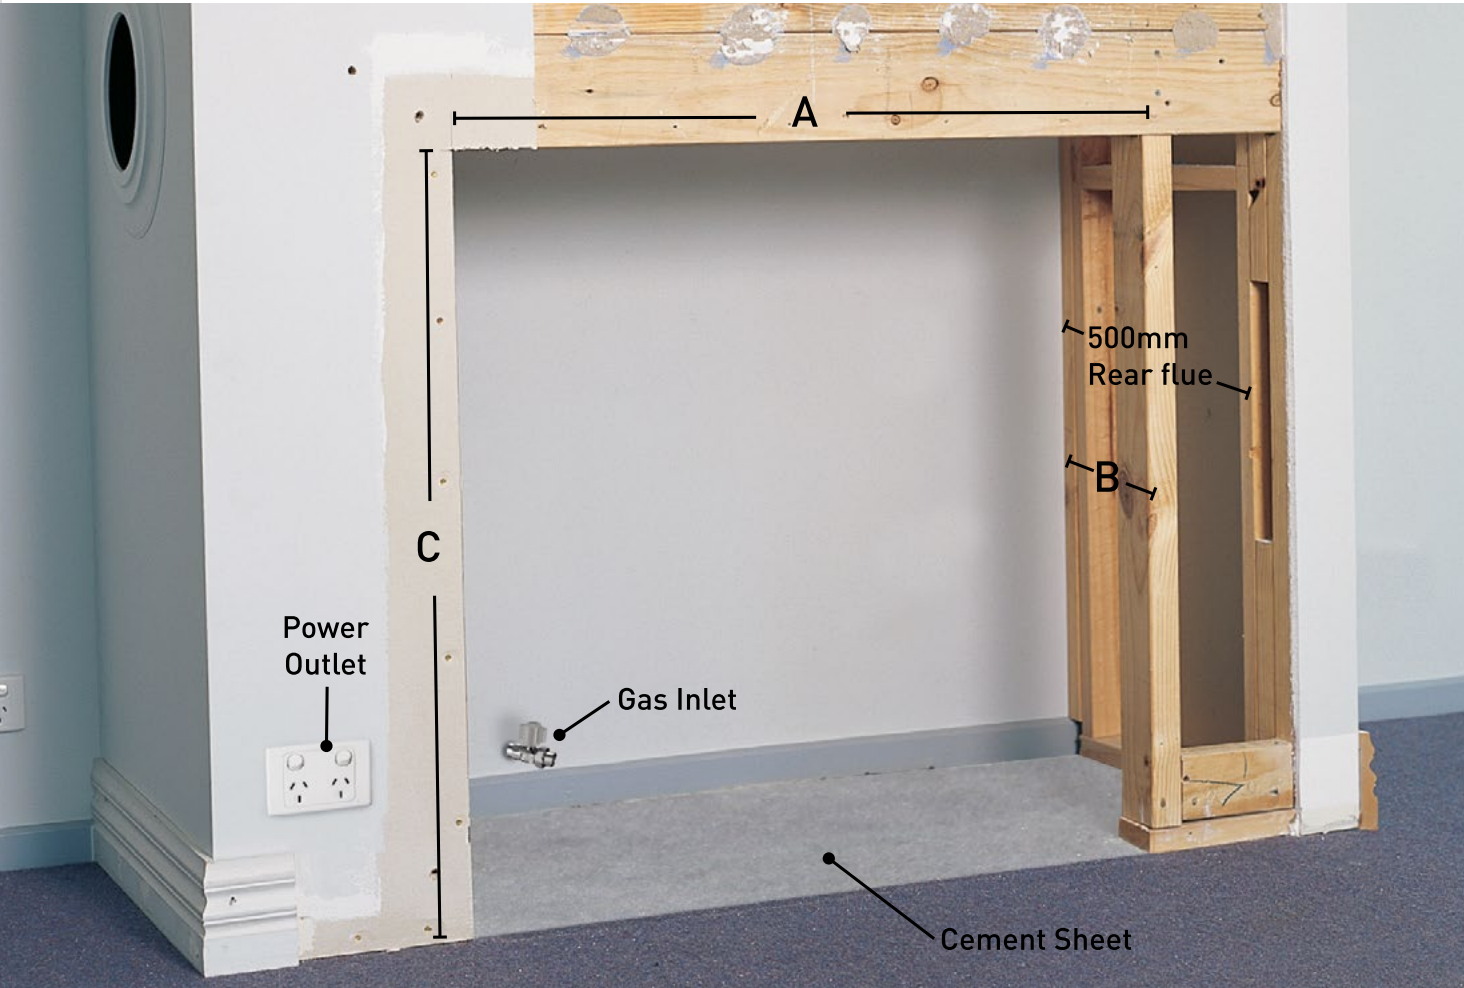

5.1 star energy rating

FRAMING SPECIFICATIONS NO FIREPLACE NECESSARY

ROYAL & GRANGE HEATING AREA*

Up to 20 squares*, based on open plan living area with 2.4 metre ceiling height. Note: Lack of insulation, large glass areas and cathedral ceilings reduce heating performance.

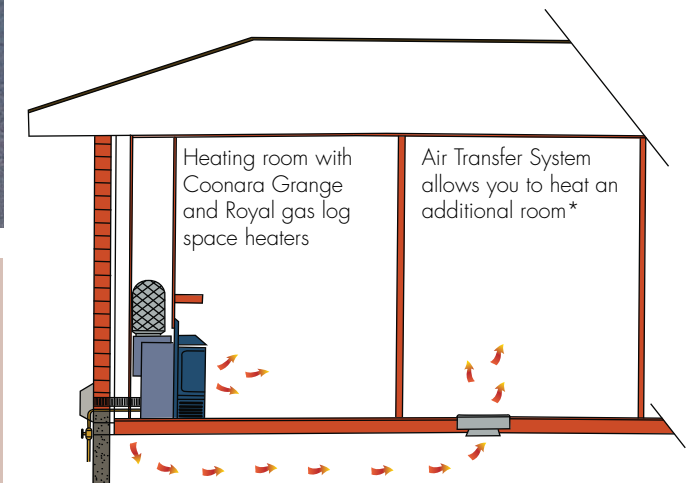

External weather cover with cowl for Grange installed through the wall. (External Installation - Inbuilt)
Grange Inbuilt: 290mm Depth
Grange/Royal: 390mm Depth

Flue cowl attached to external wall with Grange installed into stud wall cavity.

OPTIONAL AIR TRANSFER SYSTEM

The Coonara Grange and Royal gas log space heaters have an optional air transfer system with heat coming directly from around the heat exchanger. This effectively means you can heat two areas from the one heater. Heat transfer kit includes 1 x inline fan, 1 x adaptor box.

Note: Ducting and register not included in kit.

- Gas Inlet to be 1/2" FEM BSP
- Power Outlet left hand side
- Cement Sheet required (for flat level base)

FLUE INSTALLATION

- Ability to control room temperature – maximising comfort and energy savings
- Programmable heating levels to enhance comfort control
- Large easy to read backlit LCD screen
- Factory fitted
- Powered by 2x AA batteries for approximately 12 months of operation
- Full seven-day program capability

ROYAL TECHNICAL SPECIFICATIONS

Tested and approved

Tested and approved to the most stringent quality standards for safety and efficiency. AGA approved. Certificate No. 7048G.

Coonara Warranty

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the actual firebox and heat exchanger is 5 years – to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 24 months. Coonara gas log fires are designed and tested for use with Coonara manufactured flue kits. For the full warranty statement, refer to the Shamic Sheetmetal (Aust) P/L website (www.shamic.com.au), the product installation manual, or your Coonara dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. All heaters pictured in this brochure are operating on Natural Gas. Flame patterns are different on LPG.

Note: All Coonara heaters must be installed by our authorised installer to be covered by our warranty statement.

***IMPORTANT: Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. Note: Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.**
