2017 GRILL GUIDE

2017 NAPOLEON GRILLS. A WORK OF FUNCTIONAL ART.

You view perfect grill marks as a badge of honor. You think cutting into a steak to check doneness is sacrilege. You know when and why to use rub vs. marinade vs. sauce.

That's why you are ready for a Napoleon grill. Napoleon takes the art of grilling to a higher level.

Every feature, every material is engineered to give ultimate performance - so you can create unforgettable meals. And just like you, we're not some rookie behind the grill.

Napoleon is a family-owned company with over 20 passionate years of grill-making experience. Every great meal starts with the best ingredients.

Start yours with the best grill out there: Napoleon.
