

Constructed from hygienic, food grade stainless steel, the Morphy Richards Ice Maker can make 10 ice cubes every 9 minutes, depending on the water and ambient temperatures. Simply select the ice cube size you desire and press start with the easy-to-use control panel. Easily monitor the water level through the viewing window and warning indicators show when the water level is low or when the ice box is full.

- 10 ice cubes every 9 minutes, depending on water and room temperature
- 15kg of bullet ice can be made in 24 hours
- R600a refrigerant - low GWP (Global Warming Potential)
- BPA Free

**Delicious bullet shaped ice at a moments notice for that quick chilled drink, at any time!!**

Model No.	MRIM15SS
