

# Nugget Ice Maker

The Morphy Richards Nugget Ice Maker boasts a precision motor and pillar shape evaporator technology, that makes up to 15 chewable nugget ice pieces each minute, depending on the water and ambient temperatures. Select the clean function and operate with the easy to use touch control panel. Monitor the water level through the large viewing window and handy indicators show when the water level is low or when the ice box is full.

- Produces up to 15 chewable nugget ice pieces each minute
- 17kg of nugget ice can be made in a day
- R600a refrigerant - low GWP (Global Warming Potential)
- BPA Free

**Chewable nugget shaped ice at a moment's notice for that quick chilled drink, at any time**
