

AUTENTICO® Decoupage Matt & Gloss

Product Description:

Autentico Decoupage a creative adhesive with a rich history within the art of applying and incorporating images on various surfaces. It can be used to apply single images to a surface or a collage of images/decoupage papers for complete coverage of a surface for a seamless effect.

Location:

Interior

Suggested Applications:

Can be applied to furniture, small objects, decorative finishes and interior wood.

Preparation:

Autentico® Decoupage Matt and Gloss should be applied to a dry and clean area. If the area is waxed or is a glossy surface, clean with Autentico Omniclean and sand first before applying the image. Use Autentico Bio-Strip to remove wax residue if necessary.

Application:

1. Apply a coat of Decoupage to the surface
2. Put the image in place immediately after and leave to dry
3. Apply all required images to the surface.
4. When fully dry apply a second coat of decoupage
5. Apply as many coats of decoupage as required to seamlessly blend the image into the surface.

Drying time:

Dry in 30min (more in cold temperatures, dependent on surface)

Coverage:

Autentico Decoupage has a coverage of 3m² per 250ml depending on the surface and application technique.

Packaging:

Autentico ® Decoupage is available in 250ml.

Limitations:

All Autentico products should not be applied in high humidity, below 10°C or above 30° C.

Storage:

Keep in a cool place away from risk of frost and extreme temperatures.

Cleaning and disposal:

Clean tools and equipment with warm, soapy water, rinse well with clean water and allow to dry naturally. Do not empty containers into drains or water courses.

Environmental Information:

Water based, Non-hazardous and low odour.

Autentico ® Pure and Natural Paints use only the finest quality, low odour and minimal environmental impact raw materials. Our manufacturing processes are zero waste and all paint formulations are designed for maximum performance with minimum impact on user health.

Contains: Isothiazolinone.

Health and Safety:

Keep out of reach of children. Contact with eyes, wash immediately with warm water consistently with eye lids open for at least 10 minutes. May cause an allergic reaction. Safety data sheets available upon request.
