

## AUTENTICO® Matt Varnish

### **Product Description:**

Autentico® Matt Varnish is a clear Acrylic Coating specially formulated to protect a wide range of furniture for the extra protection sometimes needed with up-cycling everyday use projects.

Autentico Matt Varnish allows the depth of colour from the Autentico paint palette to shine through walls offering added protection - it is stain resistant, heat resistant and vapour permeable.

### **Location:**

Interior.

### **Environmental Information:**

Water based, Non hazardous and low odour.

Autentico® Paint uses only the finest quality, low odour and minimal environmental impact raw materials. Our manufacturing processes are zero waste and all paint formulations are designed for maximum performance with minimum impact on user health.

This product is formulated by Polyvine® all technical product information and data sheets can also be found on their website: [www.polyvine.com](http://www.polyvine.com)

### **Suggested Applications:**

Can be applied to furniture, wallpaper and interior wood.

### **Limitations:**

All Autentico products should not be applied in high humidity, below 10°C or above 30°C.

**Coverage Rates:**

Approx 10-20 sq. m per litre, dependent on surface porosity.

**Preparation:**

Autentico® Matt Varnish should be applied only when the painted substrate is fully dry, clean and stable.

**Application:**

Apply 1-2 coats to your painted surface, Dilute 10% with water when applying straight onto a porous surface. Using a good quality synthetic brush is recommended. Rollers are not recommended, stippling may occur. Stir well before use.

When applied over emulsion/latex paint, it is possible that Decorators Varnish can draw certain stains through the paint, which would not otherwise be visible.

**Storage:**

Keep in a cool dry place. Away from risk of frost. Away from direct sunlight.

**Drying time:**

1 hr - 2 - depending on temperature

**Cleaning:**

Any equipment used can be cleaned using soap and water before the clear coat dries. Wipe any excess off surfaces with a damp cloth. Any dried deposits will need a paint stripper to remove them.

**Packaging:**

Autentico® Matt Varnish is available in 250ml.

**Precautions:**

Keep out of reach of children. Contact with eyes-wash immediately with warm water consistently with eye lids open for at least 10 minutes. Remove excess from tools and mixing vessels before washing in warm soapy water. Do not empty containers into drains or watercourses.
